AMGC Foundation News

The AMGC Foundation:

The big news is that the new Rough mower has been purchased. The Foundation contributed $25,000 toward the mower and the AMGC Board of Directors paid the remaining $4,000 of the $29,000 purchase price. The mower is being completely serviced and will arrive soon. Exciting!

The first annual Junior Golfer's Etiquette class was held at the golf course on June 11, 2025 with 36 youth, ages 8-15, attending. The class was sponsored by the Wallowa Valley Golf Foundation and conducted by Amy Stangel and Scott Marcum. The youth who attended will play golf for free during the 2025 season. An adult must accompany golfers under age 13.

On July 7-10 the Foundation and Rahn Sanitary sponsored a Junior Golf Camp conducted by Scott Marcum. The camp was limited to 24 participants and was full. Attendance was free. Thank you Brian and Amanda Rahn for supporting this event. Pictures and more details in the August Newsletter.

Each month *The Rule of the Month* is published in the Oregon Golf Association Newsletter. With golf in full swing sometimes AMGC can become crowded and golfers get impatient with slower players.

Here is the link to this month's article by Terry McEvilly, OGA Senior Rules Official: *Time Thief – Tackling slow play one stroke at a time.* Check it out.

TRIPLE SIX (6-6-6) TOURNAMENT RESULTS
The Triple Six Tournament was held at AMGC June 21. Ten 2-person teams participated.

What Is A 6-6-6 Golf Tournament?
According to Colin McCarthy, Bruins Blog, the "6-6-6" designation refers to the three different formats used in the tournament. The first six holes are played using a best ball format, where each player plays their own ball, and the team records the lower score on each hole.

The next six holes switch to a modified alternate shot, where teammates take turns playing the same ball until it is holed. Finally, the last six holes transition to a scramble format, where both players hit from the chosen best position after each shot.

In this unique event, teams of two navigate the course in sets of six holes, each played under a distinct format. The magic lies in the diversity: six holes played in best ball, six in alternate shot, and the final six in a scramble. As golfers switch gears and strategies, the 6-6-6 format demands skill, communication, and adaptability.
